

Addendum
Articulation Agreement
between

St. Joseph's College and Suffolk County Community College

Specific to SCCC Hotel and Resort Management and SJC Hospitality and Tourism Management

This document is an addendum to the Articulation Agreement (attached) between Suffolk County Community College and St. Joseph's College approved by both institutions and signed in December, 2011. This addendum specifically addresses the transfer of students who have completed the AAS program in Hotel and Resort Management to the BS program in Hospitality and Tourism Management at St. Joseph's College.

This addendum is designed to facilitate the transfer of course credits from Suffolk County Community College to St. Joseph's College as well as to facilitate and expedite the transfer process for students. All provisions stated in the Articulation Agreement signed in December 2011 apply to this addendum as well as the obligations as noted for each institution.

For transfer credit purposes, attached to this agreement is a chart of SJC course equivalencies for SCCC courses in Hotel and Resort Management. The transfer course equivalencies are the result of dialogue between SCCC and SJC's Academic Deans, Department Chairpersons and faculty members. SJC liberal arts/core requirements and distribution requirements are also contained within this document. Requirements for a baccalaureate degree are contained in the Articulation Agreement. This agreement may be modified, including adding or deleting course equivalencies, upon agreement of both parties.

SJC will award one \$11,000 per year Hospitality and Tourism Management Scholarship each year to a graduate of SCCC's Hotel and Resort Management program. Eligibility for this award will be based on students overall SCCC GPA of 3.3 or higher and a nomination from a faculty member or program director in SCCC's Hotel and Resort Management program.

Graduates from the Suffolk County Community College AAS program in Hotel and Resort Management will also be eligible for consideration for the Stay on Long Island full tuition scholarship as well as the Honors Program Scholarship or Phi Theta Kappa award as stated in the Articulation Agreement.

This addendum will remain in effect until either party wishes to terminate.
