Addendum
Articulation Agreement
between
St. Joseph's College and Nassau Community College

Specific to Nassau Community College Hotel and Resort Management and St. Joseph's College Hospitality and Tourism Management

This document is an addendum to the Articulation Agreement (attached) between Nassau Community College and St. Joseph's College approved by both institutions and signed in June, 2014. This addendum specifically addresses the transfer of students who have completed the AAS program in Hotel and Resort Management to the BS program in Hospitality and Tourism Management at St. Joseph's College.

This addendum is designed to facilitate the transfer of course credits from Nassau Community College to St. Joseph's College as well as to facilitate and expedite the transfer process for students. All provisions stated in the Articulation Agreement signed in June, 2014 apply to this addendum as well as the obligations as noted for each institution.

For transfer credit purposed, attached to this agreement is a chart of SJC course equivalencies for NCC courses in Hotel and Resort Management. The transfer course equivalencies are the result of dialogue between NCC and SJC's Academic Deans, Department Chairpersons and faculty members. SJC liberal arts/core requirements and distribution requirements are also contained within this document. Requirements for a baccalaureate degree are contained in the Articulation Agreement. This agreement may be modified, including adding or deleting course equivalencies, upon agreement of both parties.

SJC will award one $11,000 per year Hospitality and Tourism Management Scholarship each year to a graduate of NCC Hotel and Resort Management program. Eligibility for this award will be based on students overall NCC GPA of 3.3 or higher and a nomination from a faculty member or program director in NCC's Hotel and Resort Management program.

Graduates from the Nassau Community College AAS program in Hotel and Resort Management will also be eligible for academic scholarships as well as the Honors Program Scholarship or Phi Theta Kappa award as stated in the Articulation Agreement.
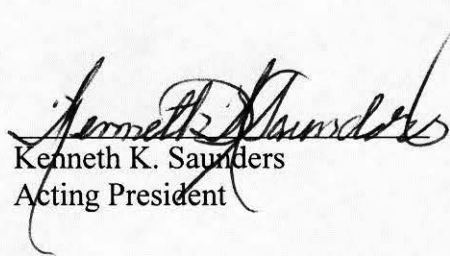

This addendum will remain in effect until either party wishes to terminate.
