

ATTENTION

SJC GUESTS

Due to the increasing number of confirmed cases of novel coronavirus (COVID-19) across New York state, the College asks that people avoid physical contact with each other and adhere to the following precautions from the Centers for Disease Control and Prevention (CDC):

- **Avoid close contact with people who are sick.**
- **Avoid touching your eyes, nose and mouth.**
- **Wash your hands often with soap and water for at least 20 seconds, especially after using the bathroom; before eating; and after blowing your nose, coughing, or sneezing.**
- **If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.**
- **Stay home when you are sick.**
- **Cover your cough or sneeze with a tissue, then throw the tissue in the trash.**
- **Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.**

Please see SJC updates on novel coronavirus safeguards at sjcny.edu/coronavirus.
