

**St. Joseph's College Northwell Health Partnership Grant
Annual Verification of Employment**

This grant has been developed for current employees of Northwell Health who are pursuing a Bachelor's degree or a Master's degree at St. Joseph's College. The award will provide a grant of up to 25% of the prevailing St. Joseph's College tuition rate to eligible students. The exact dollar amount of this grant will vary based on the amount of credits the student is taking each semester as well as the student's eligibility for other financial aid grants (Federal Pell grant, NY State TAP and APTS grants for example). These other grants will be deducted from the tuition and the 25% discount grant will be applied to remaining tuition charges. This discount applies to tuition only and does not apply to any fees the student is charged or may incur. This discount may not be combined with any other type of St. Joseph's College institutional grant/scholarship, discounted tuition rates (i.e. required undergraduate prerequisites for a graduate program) and is not available to students enrolled in online degree programs.

In order to be considered for this grant, interested students must complete a Free Application for Federal Student Aid (FAFSA) designating St. Joseph's College as a recipient (002825 Brooklyn campus, E00505 Long Island campus) each academic year. Full-time undergraduate students who are NY State residents must complete the NY State TAP application. Students must also complete this annual verification of employment form each academic year. If you have any questions, please contact the Brooklyn Office of Financial Aid at 718-940-5700 or the Long Island Office of Financial Aid at 631-687-2600.
